

Agronomist Ayr

Career opportunity in Agribusiness

AGnVET Rural is an independent rural agribusiness service and distribution business located in prime agricultural areas, with seven locations throughout Queensland and northern NSW.

We currently have a vacancy for an enthusiastic experienced agronomist to join our committed team and gain from the prosperous farming community in Ayr.

This role is mainly focused on Sugarcane, Pulse and Grain Crop agronomy, creating and maintaining relationships with customers, including sales of Company services and products. An enthusiasm to learn and compliment the team providing customer profit focused agribusiness solutions.

As a member of a proactive and multi-skilled team, candidates must be able to demonstrate:

- Experience in broad acre and intensive cropping agronomy.
- Ability to develop and execute sales strategies.
- Knowledge of crop chemical, seed, fertiliser and general merchandise products.
- Ability to perform without supervision, and to work as part of a team.
- Capacity to maintain relationships.
- Excellent communication skills.

The use of industry specific software programs will be required, so a high level of communication skills, technical knowledge and computer know-how is paramount.

Appropriate tertiary qualifications are essential.

Forklift and truck licences are desirable.

An attractive salary will be offered commensurate with skills and experience.
