

Merchandise Manager

Career opportunity in Agribusiness

AGnVET RURAL is a leading independent agribusiness specialising in retail agricultural distribution located across 8 locations in North NSW and Queensland.

AGnVET RURAL are pleased to announce the new addition of a Merchandise Manager positions across the business.

This role will be focused on Inventory control, administration, identifying opportunities to grow our expanding business and services to our existing and growing client base. The position will be responsible for maintaining a high safety standard within the business and the overall presentation of the branch.

We are seeking applicants with experience and a passion for agriculture. seeking previous experience in agribusiness and customer service, to be complimented with a high level of written and verbal communication skills as well as the ability to be a confident team leader.

The ideal applicant will possess the following:

- Knowledge of sugar cane, seed, fertiliser, chemicals, pasture, animal health and general merchandise;
- Ability to build and maintain customer relationships;
- Ensure Branch requirements are performed in a professional and timely manner including:
 - Stocktaking
 - Inventory control.
 - Employee development.
 - Branch profitability.
 - Safety standards
- High level of accuracy and attention to detail;
- Sound knowledge of Microsoft Office software; and
- Flexibility to perform a variety of tasks autonomously.

The successful applicants will work as part of a team, maintain a high level of presentation, and task orientation in a fast paced retail environment.

Forklift and HR truck licenses are desirable for this role.

An attractive salary will be offered commensurate with skills and experience.

A covering letter outlining your relevant experience should be forwarded along with your resume and two work-related referees to jobs@agnvetrural.com.au
